"OKLAHOMA, OKLAHOMA, FAIREST DAUGHTER OF THE WEST,
OKLAHOMA, OKLAHOMA, 'TIS A LAND I LOVE THE BEST"

OKLAHOMA'S HIGH SCHOOL GRADUATES HAVE NEVER HAD A MORE CHALLENGING ERA IN WHICH TO BEGIN THEIR COLLEGE DAYS. ADVANCES IN EVERY PHASE OF EDUCATION ARE AVAILABLE IN OUR CURRICULUMS. OKLAHOMA'S COLLEGES ARE ATTRACTING HUNDREDS OF FOREIGN STUDENTS EACH YEAR BECAUSE OF THE EXCELLENCE OF REPUTATION GAINED BY OUR GRADUATES. THE VALUE AFFORDED BY ASSOCIATION WITH THE PEOPLE FROM COUNTRIES ALL OVER THE WORLD WILL DO MUCH TO GIVE OUR YOUTH AN UNDERSTANDING AND INSIGHT INTO THE PROBLEMS OF OUR WORLD NEIGHBORS.

COUNTLESS OPPORTUNITIES FOR ADVANCEMENT AFTER GRADUATION ARE NOW AVAILABLE AND WILL CONTINUE TO INCREASE BECAUSE OF OKLAHOMA'S EXPANDED INDUSTRIAL PROGRAM. CHOOSE YOUR SCHOOL CAREFULLY, BUT BE SURE YOU SELECT ONE FROM OKLAHOMA'S THIRTY-TWO JUNIOR AND SENIOR COLLEGES. HERE YOU WILL MAKE MANY LIFE-LONG FRIENDS THAT WILL MAKE YOUR FUTURE PROFITABLE AND HAPPY.

"WE HAVE OFTEN SUNG HER PRAISES

SR. HIGH SOCIAL COMMITTEE

SCHOOL PLANT COMMITTEE

The Committee, last year, was responsible for the badly needed mail box being placed in front of school. We appreciate the work of Larry Wilson, Bill Gregg, Jerry Roush, Glenn Crawford, and John Nelson for the better driveways and parking areas this year.

Northeast High School

J. B. GREENE, PRINCIPAL

TO THE SENIORS OF 1954

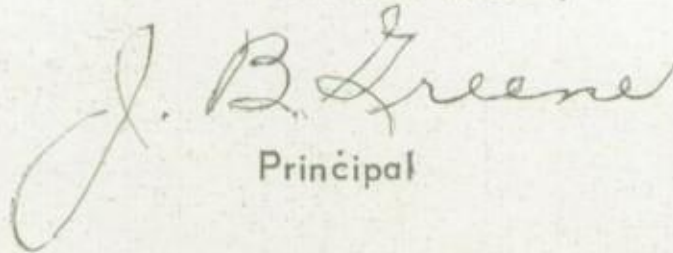

We who remain at Northeast express our wish that each of you who is being graduated will have a rich, well-rounded life, even as we express our regret that you are leaving.

I can also speak for the corps of teachers who have worked with you, endeavoring to help you prepare yourselves for the changing conditions of the world. We sincerely hope that we have helped you direct your thinking into channels that will make your lives successful and that your leadership in our national affairs will prove your integrity.

Edwin Markham, with the keen sensitiveness of a true poet, expressed the admonition much better than I am able to say it:

"For all your days prepare,
And treat them ever alike;
When you are the anvil, bear-
When you are the hammer, strike".

With best wishes,

Principal

DRIVER TRAINING

Look Out! A woman (or man) driver!! No need to get alarmed; these students are enrolled in a driving class to learn the proper way to drive under a well-trained instructor.

AVIATION

Northeast Highschool ranks as one of the leading schools in the Southwest in its aviation education; of this we are quite proud, especially as this is the 50th Anniversary of Powered Flight. The facilities at Northeast are of the best, and the training is designed to give students a general overview of the entire field of aviation and is specific enough to enable a student to become a private pilot. A Link Trainer is available and a Cessna 140 belongs to the Oklahoma City School System for use in the aviation classes. Flight lessons are held to a minimum fee.

During the year, students made orientation rides, visited the C.A.A. Center and Will Rogers Field, and also appeared on a television program.

"Roger!" You can be sure the link trainer is a prized possession. Bob West practices signals.

"We're coming in." Mr. Spangler is giving flight instruction to John Brice in the school-owned plane.

The aviation class on a tour of Will Rogers Air Field learned a lot from observation on the ground as well as in the air.

CLASSROOMS

JOURNALISM

The journalism class spends many hours of work in getting out the school paper, which makes a bright spot each month for the students at North-east.

CHORUS

Chorus is an elective subject for Jr. High students. They learn to appreciate music so that when they are in Sr. High they will be able to take the responsibilities of choir.

INSTRUMENTAL MUSIC

There may be a few sour notes for a while, but not for long. Mr. White will take care of that. Soon they will be full-fledged band members.

HISTORY

One year of history is required for graduation from high school. History can be very interesting for you if you enjoy learning about foreign countries as well as our own.

FOREIGN LANGUAGE

If you are interested in foreign countries, don't miss taking a foreign language. Each year all the language classes sponsor a foreign language week, in which they present a play in a foreign language.

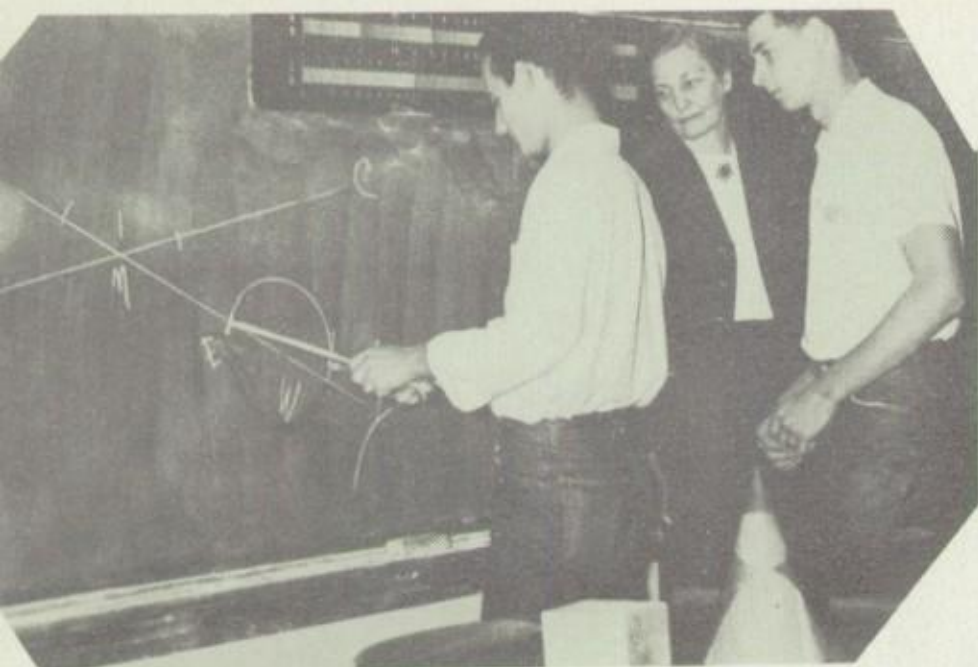

YEARBOOK

The yearbook class works all year to bring out a book that will meet with the approval of the student body. This year there has been much work and the class hopes that you enjoy the book.

SCENES

MATHEMATICS

One year of math is required for graduation, but a lot of Northeast students go from Algebra to Trig.

COMMERCE

Typing, shorthand, bookkeeping, and Business English are taught by the commerce dept. Graduates often go directly into good positions.

BIOLOGY

One year of laboratory science is required for graduation and these people seem to be enjoying themselves. Who knows, we might have another Louis Pasteur in our midst.

PRINTING

Although we lack adequate facilities, the printing class always turns out good work, such as the Student Directory and programs for the Football Banquet.

MECHANICAL DRAWING

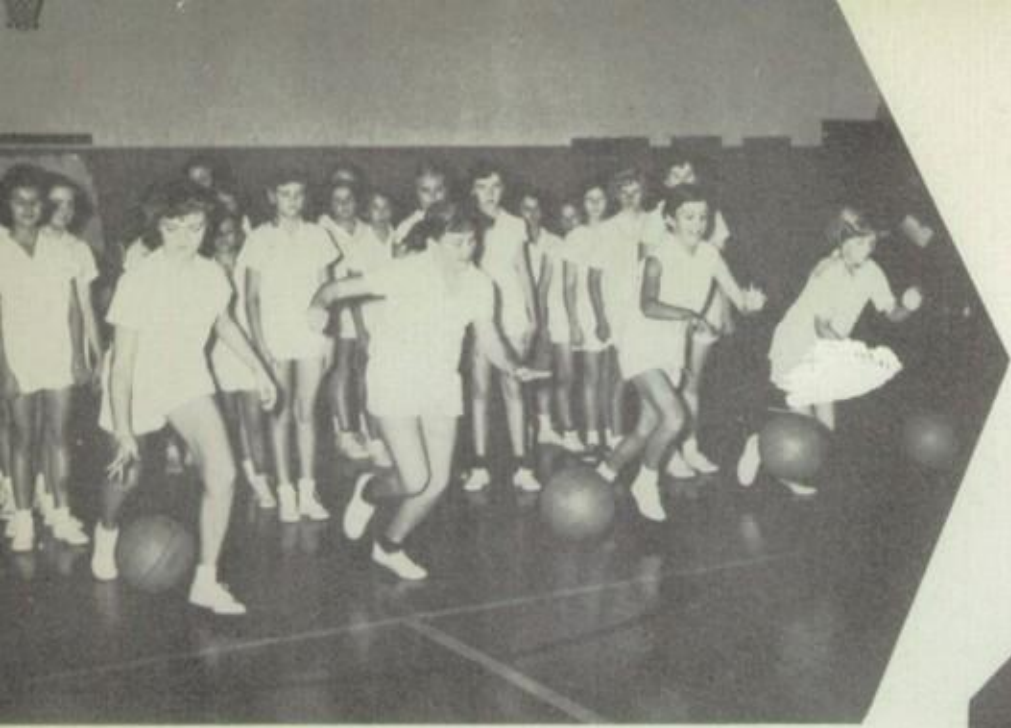

This is a vocational course that aids students who plan to go into designing, drawing blue printing, and drafting

ENGLISH

English is one of the most important subjects; that is why it is required for all students. You can get a lot out of it if you have the interest to put something into it. English is required every year.

CLASSROOMS

GIRLS' GYM

"Building the body beautiful" is a worn-out phrase, but just take another look at these ladies. Not only do they learn to play different games, but they have the opportunity to improve their health.

AUTO MECHANICS

Instruction is given in theory and practical experience; close supervision is maintained as the student progresses through such tasks as disassembling and overhauling of engines, transmissions, clutches, and differentials.

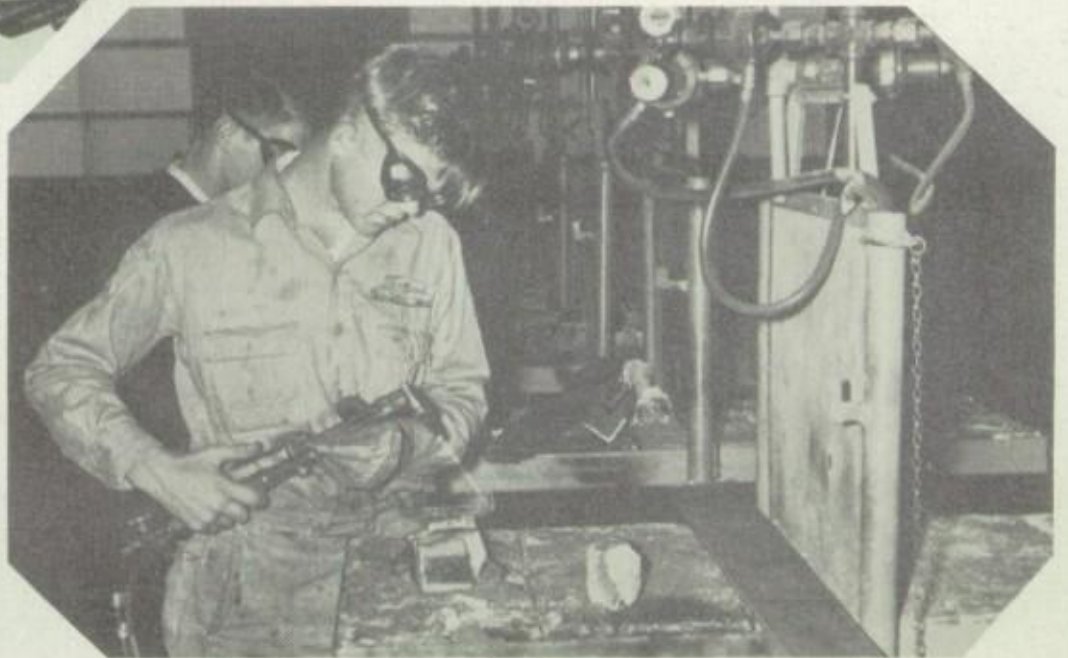

PHOTOGRAPHY

With a well-equipped laboratory, many pictures are being turned out each day from the photography department. This year all group pictures for the yearbook were made by this department.

WELDING

Welding is another of the shop courses that sometimes give the boys a start on the profession that they want to follow for the rest of their lives. This class is the most fully-equipped of all the shop courses.

BOYS' GYM

Learning to play together is necessary for a well-rounded personality since we must deal with people all our lives. These boys learn the basic ideas of good sportsmanship right here.

SCENES

SEWING

In this age of modern machinery, there are still some girls who like to do things the old-fashioned way, like making button holes by hand, instead of by machine.

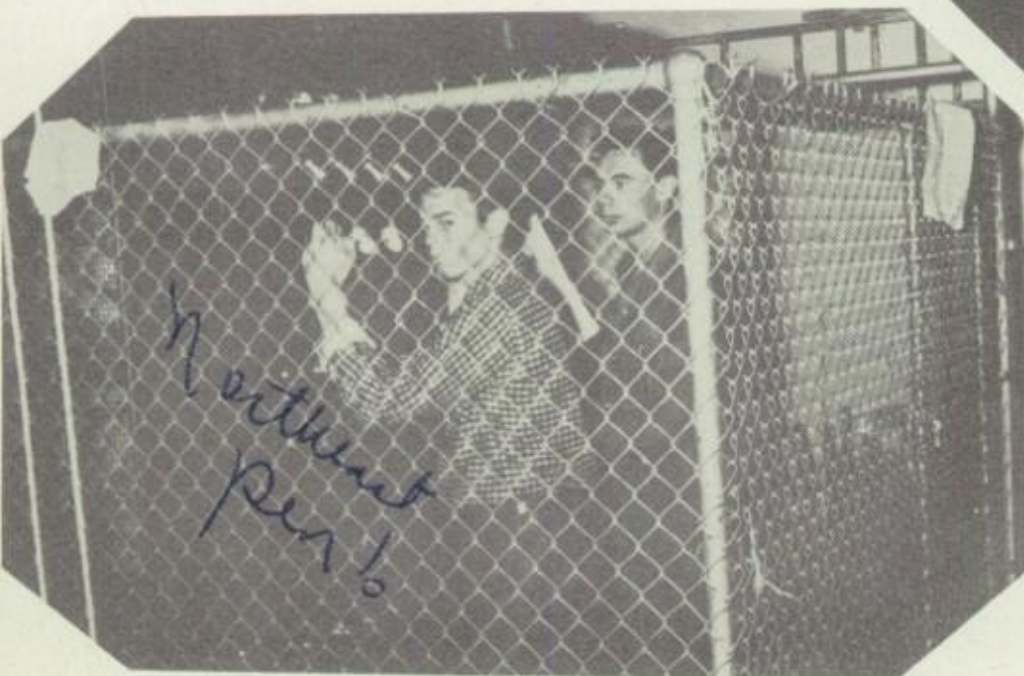

ART

"Art for arts' sake" is the motto of Northeast art classes. That motto inspired its members to well-earned success. The school thanks you for all the art work you have done for school activities.

WOOD WORK

This department offers the student basic instruction in both carpentry and cabinet making. The shop is equipped with the various machines used in woodwork, everything from hand tools to saws.

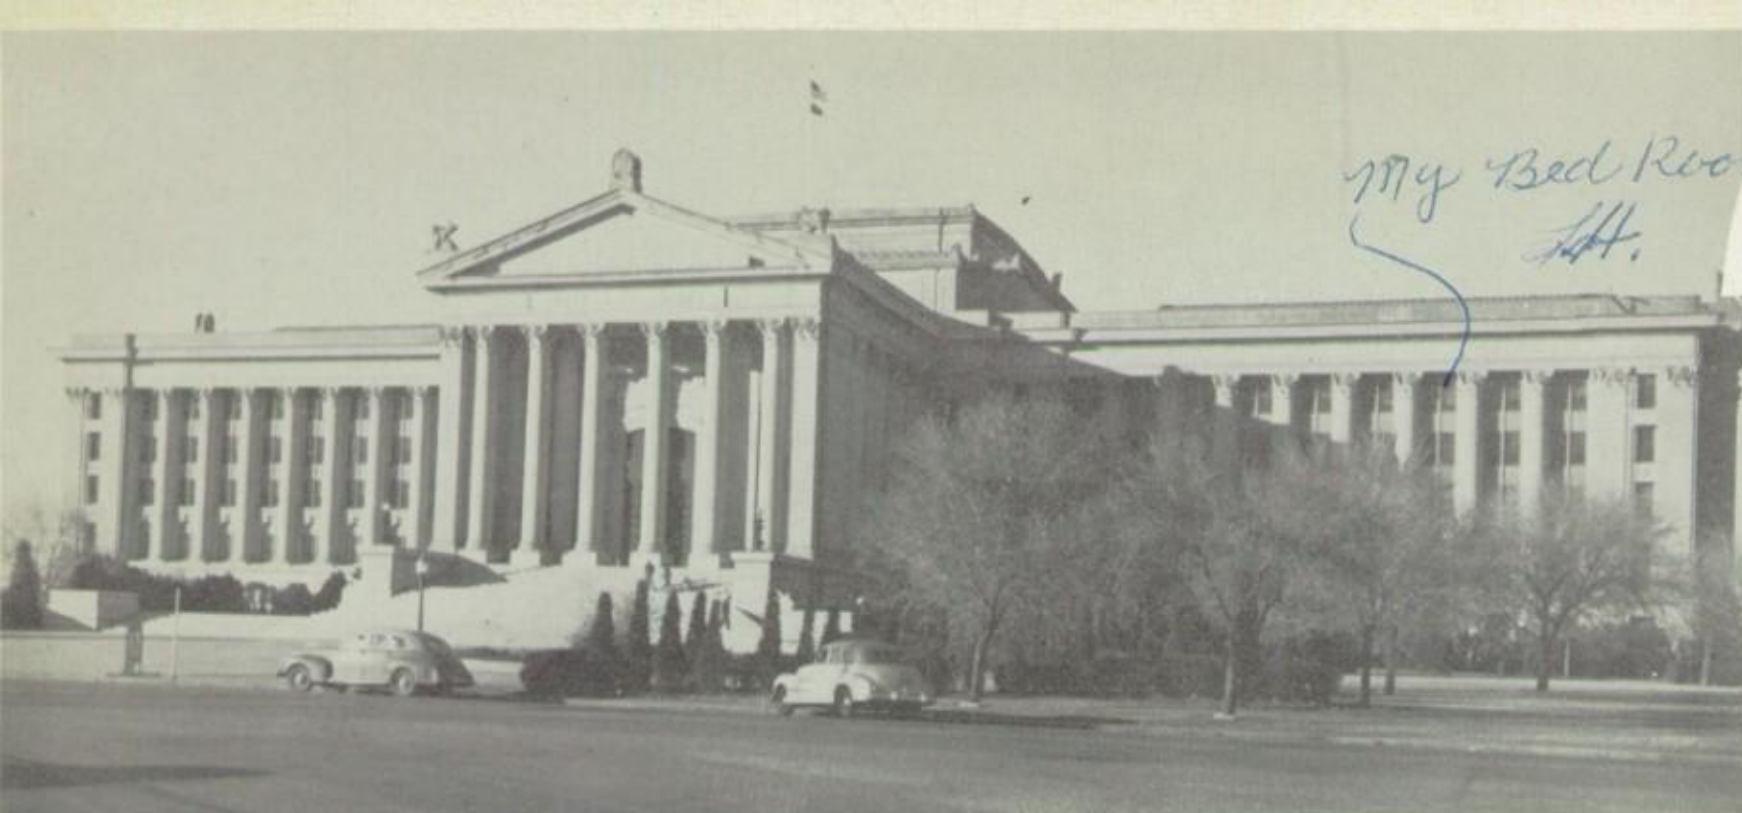

STAGE CRAFT

We are indeed proud of the stagecraft class for its excellent work in making all our assemblies and mixers more enjoyable through its ability to create beautiful settings and decorations.

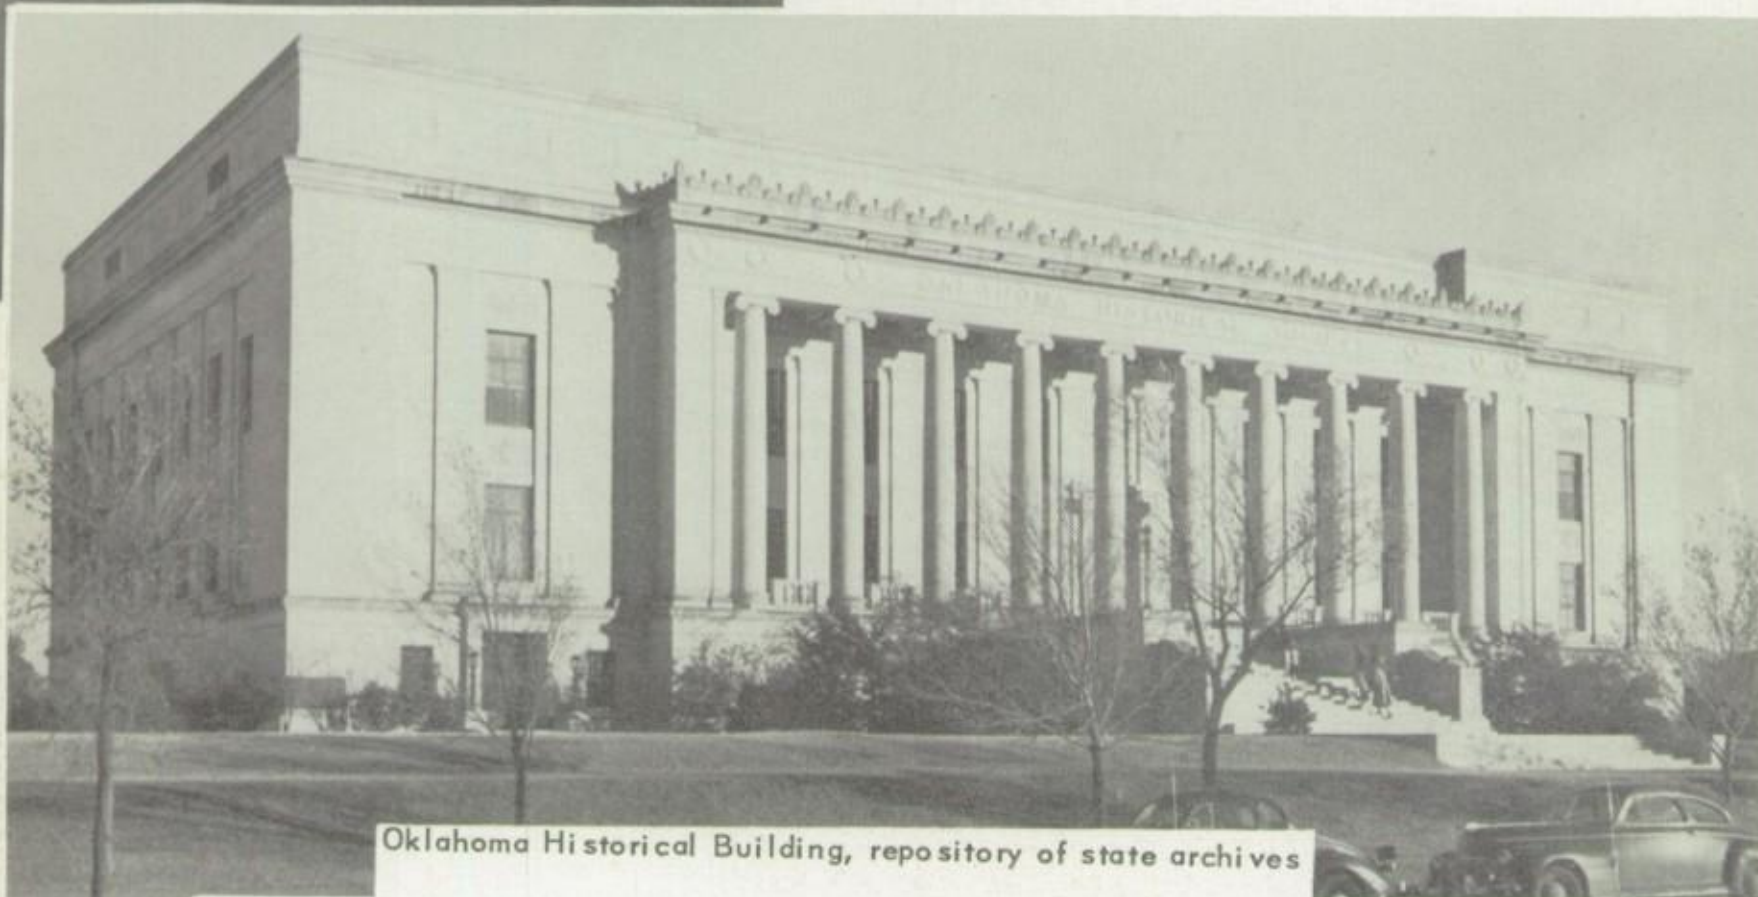

COOKING

Believing in the old saying that the way to a man's heart is through his stomach, members of the cooking classes learn to perfect their culinary ability.

SCROLL STAFF

With printer's ink in their veins, the "Norseman Scroll" staff pursue hot verbs and vivid adjectives to cover high school news. Few people who pick up a "Norseman Scroll" and casually turn its pages realize that many hours are spent in turning out a monthly edition of the school paper. The journalism class is a laboratory to acquaint students with the elements of newspapers and to help them to understand the forces and varied avenues of interest covered by news. The "Norseman Scroll" staff has divided positions as compared to daily papers. During first semester, the students did not have definite positions, but during the second semester certain appointments were made. The school paper attempts to cover with equal emphasis the varied activities in the school. It also aims to recognize individual accomplishments and interesting studies that go to make up a well-rounded school life. It was a big year at N.H.S. and the "Norseman Scroll" had a big time covering the news. Incidentally, they were successful. At the OIPA conference, the "Norseman Scroll" rated "with honors."

Clinton Allison did a satisfactory job taking all the group photographs. Frances Phillips did the division and introduction pages, and wrote the calendar. Nina Acklin had cheerleaders, Norkets, N. F. L. and Play Oroduction pages. Kellis Armer had the administration section, the student council, and the Norsemen pages. Marilyn Poore had senior speakers, Girls' Sports and Girls' O Club, the Nordlys and Scroll staffs, Tri-Sci, and Quill and Scroll. Paula Burdick had seniors' Who's Who, Red Cross, Horizon Club, and other organizations. Becky Trotter had one-half of student council, Y-Teens and some other organizations. GIRLS' SPORTS

BADMINTON

It takes real skill to make the tricky shots required in a good fast game of badminton as Erol Linda Fausett and Georg Ann Burke are finding out.

BASKETBALL

Betty DePue and Jarolee Pierce are having a contest in basketball. The object of this specific endeavor is to pass the ball to teammates so that they can make baskets and rack up a few points: On the left are Betty Pitts and Lanese Pierson; on the right, Erol Linda Fausett and Loretta Hall. Some of the basketball scores show the wonderful coaching of Miss Wilson:

SOFTBALL

These girls are really ready for the good Ole' American game of softball. Getting in the swing of things are Betty Pitts, Peggy Langley and Beverly Wheeler.

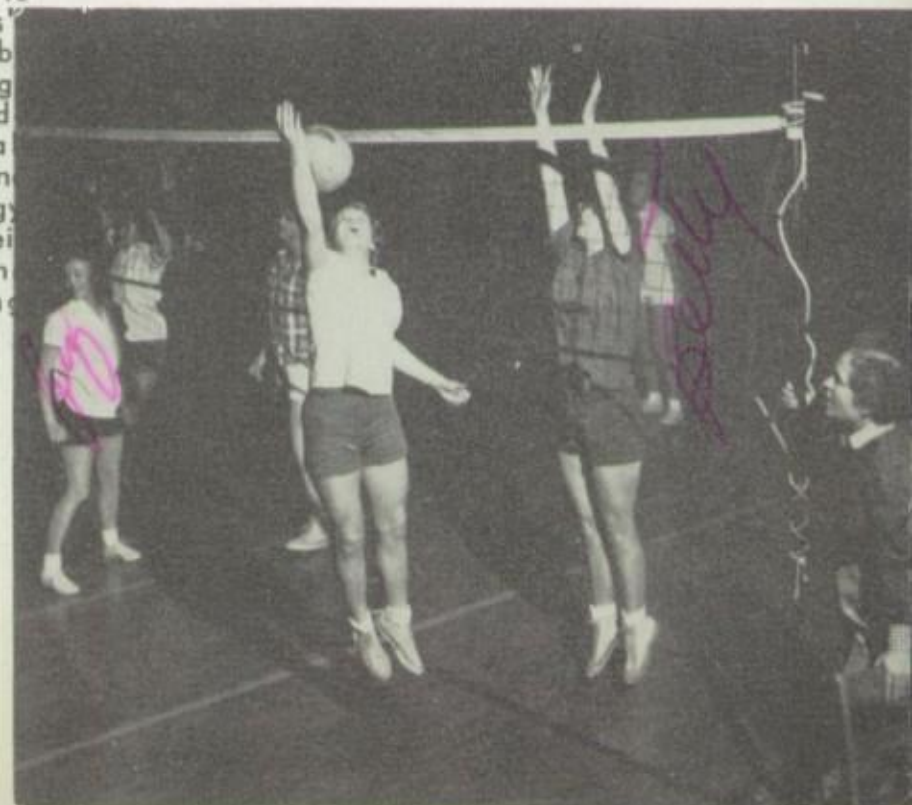

GOLF

LaNese Pierson really looks as if she's having fun, knocking that little white ball around—or so Nancy Kesterson and Connie Campbell think!

VOLLEYBALL

Volleyball is a favorite winter sport in Girls' Sports and is enjoyed by everyone participating. Here we see Erol Linda Fausett hitting the ball, Jarolee Pierce and Betty Pitts, and Peggy Langley rooting for their teams. Miss Wilson, the coach, is really making the game jump!

RECORD OF EVENTS OF 1953-54

September

On April 22, 1889, the Sooners made a run into Oklahoma. On September 2, 1954, the students of N.H.S. hurried happily back to the old familiar halls. To welcome everyone back the Student Council sponsored a "Back to School" mixer which was a real success. Football season provided lots of opportunity to show off our new cheerleaders, and the Senior class, as usual, chose a swell bunch of kids to represent them with Steve Reynolds leading off as President. The crowning point was held by Darlene Shaffer when she was made Band Queen at the Central game.

October

Just as the organizing of our State government got under way shortly after the run, we here at N.H.S. started our clubs this month. Regular meetings of Tri-Sci, Honor Society, Y-Teens, "O" Club, Student Council, Vorkets, Norsemen, and Red Cross started. The Vorkets had their Carnival the 16th of this month, and it was a great success. The first All-City dance was held in the Zebra room. The Homecoming game was with Claxen, and Nancy Kesterson was a beautiful Football Queen.

November

The all-School play was Friday '13, and despite the unlucky date, "The Curious Savage" was really worth seeing. We here in Oklahoma are as proud of the founding of our country as we are our state, so the Speech and Music departments really out-did themselves in putting on our Thanksgiving assembly.

December

We started our Football season with a win over John Marshall! The fourth of this month we celebrated the Annual Football Banquet with Walter Zoney and Steve Reynolds carrying off the honors as Dream Boy and Pin-Up Boy. The Choir and Speech again came through with an outstanding assembly commemorating the wonderful Christmas season, and we all got out for a luxurious 2 week vacation.

January

Having duly thrown out the old year and welcomed the new, we are all together again. Everyone crammed like mad, and with a little knowledge, lots of luck, and the help of sympathetic teachers, we passed through the finals.

February

Our second All-School play of this year "Father of the Bride" was just as good as the first. On the 9th of this month we were treated to a first-class band assembly. The Jr. High had a mixer the 12th. The high spot of this month was an assembly starring Johnny Allen and various acts from all over the city. Winning a close second was the "Q" Club vs. Faculty game and mixer. The Faculty emerged victorious 50-51.

March

Our school was honored the 3rd of this month by an appearance of the Oklahoma City Symphony Orchestra. They played a wide variety of songs and everyone enjoyed the concert immensely. N.H.S. came out pretty good in the Regional Basketball Journey winning our first game and dropping the other by 5 points. Foreign Language week is here again, the halls are roaring with all kinds of noise most of which nobody can understand. The 26th was the date for the Red Cross Mixer, backward style.

April

The Talent assembly was the 6th, such all-time favorites as Dick Crooley. Basketball Banquet was the 9th, and we all had the opportunity to express our thanks to the boys for a wonderful season. As Easter rolls around each year, we are given the chance to attend a series of religious assemblies. This year the messages, as always, were truly inspiring.

-Dick Crooley! "with and we had these The Houseman" all had the the boys for a each year, we

May

Here we are, coming once again to the end of another full and satisfying year here at N.H.S. We've had our troubles and our laughs; made new friends, and kept the old ones. We haven't much time left, but this month promises to be a super special one. The awards assembly netted prizes for outstanding students, and everyone was pleased with the outcome. About a week was taken up with campaigning and elections for next year's officers. Then the seniors took over with their Ditch Day, Senior Sermon, and Graduation services. We'll all miss them, and want to wish them luck in their future.

Dear Sandra,
